

SCHOLARS' CONNECT

NEPHROLOGY PG COURSE 2014

Date: 8th - 9th February 2014

Venue:
Institute of Kidney Disease & Research Centre,
Ahmedabad

Scholars' Connect (Nephrology PG course 2014) is a unique workshop being organized by Institute of Kidney Disease & Research Centre, Ahmedabad in association with "Indian Society of Nephrology" (west).

This is **one night – two days residential programme**. During this programme distinguished panelists from eminent institutes of the country will provide updates in Nephrology, Dialysis and Transplantation. Participants will enjoy the close interaction with the faculty in small group workshop. The workshop will cover the fields from the most recent scientific advances to the current clinical approaches.

Scholars' Connect (Nephrology PG course 2014) aims at providing a platform for final and pre-final year DM/DNB students to interact with Professors of different institutes of the country.

Programme objective: The workshop has been developed in order to help students in the following areas:

- Preparation for final year DM/DNB examination
- Meeting challenges in clinical practices as a consultant

Interactive Session on Renal Pathology:

Dr. Aruna Vaniker, Prof. & HOD - Pathology, Lab Medicine, Transfusion Services and Immunohematology, IKDRC, Ahmedabad

Imaging of Kidneys:

Dr. Kajal Patel, Asst Professor, Dept of Radiology, IKDRC, Ahmedabad

Programme outline: The programme will consist of the followings:

Programme objective:

- Preparation for final year DM/DNB examination
- Meeting challenges in clinical practices as a consultant

Programme outline:

- **MOCK PRACTICAL EXAMINATION**
- **One night - two days residential programme**
- **Session by professors on challenging areas in the field of Nephrology and Transplantation**
- **Discussion on last 3 years examination question papers**
