3. Homoeopathic Medical Camp for Malnourished Children

Student wing CME by Dr. Hardik Mehta

Date: 24-07-2022, Sunday

Time: 10 to 12.30 morning

Place: Haribhai Shah Memorial Hall, Navrangpura, Ahmedabad

Topic: College curriculum and Clinical Practice: same or Different?

Description:

In rainy weather, after warm tea, CME started with introduction of Dr.Hardik Mehta by Dr.Arohi Pandey. Dr.Hardik put few cases of Lycopodium. Practical difficulties of practitioners were explained by Dr. Sunil Shah. Dr. Hardik thoroughly explained Lycopodium as a drug. He emphasised its comparison with other drugs. Picture presentation helped student to understand drug better. Dr. Harshit Trivedi, Secretary of Unit, thanked Dr. Hardik's efforts. Dr. Nirav Bhatt gave memento to Dr. Hardik for nice presentation. Dr. Harshit invited all participant for next HMAI event..

Visit to Ananya College of Homoeopathy, Kalol

By Executive Committee of HMAI Ahmedabad Unit

Date: 26th July 2022, Tuesday

Time: 1 to 4 pm

In rainy atmosphere, We visited Kalol Institute and Research center, Kalol where Ananya College of Homoeopathy situated. Water lodging on roads made us few minutes late then expected. But we were able to reach in large college campus around 1.30 pm. Due to recommendation from Dr. Nirav Thankar we took permission from Trustee and Managing Director Dr. A.K. Patel Sir. 2nd year and 4th year BHMS students were sited together in one class room on 3rd floor of college. With the help of students we started power point presentation. Dr. Harshit gave idea about HMAI and its activities. Dr. Mital told about Ladies wing. Dr. Sneha and Dr. Mayur invited all students to join Student wing. Student eagerly listened us and show interest in our activites. We gave them our brochure and forms. After presentation we met Managing Director and Trustee Dr. A.K. Patel Sir. We thanked him for his support. After some tea and snacks we picked up the way back to Ahmedabad.

**Project of Homoeopathic Medical Camp for Malnourished children by
HMAI Ahmedabad Unit in collaboration with Ahmedabad Municipal
Corporation School Board**

Date: 30-07-2022, Sturday

Time: 9 to 12.30 AM

Place: Scout Bhavan, Paldi, Ahmedabad

Aim: To study the effect of Homoeopathic Medicines in Malnourished children

Target group: Primary school children (1 to 8 standard)

Total children: 750

Duration for study: 6 months

Inauguration day Report:

On a damp rainy day Saturday morning about 60 HMAI doctors reached to camp site. It was full of student and their parents as well as teachers of AMC malnourished children. All children and doctors took healthy breakfast initially. Inaugural function started at 9 am in presence of Mayor of Ahmedabad city Shree Kirit Parmar, Chairmain of Nagar Prathmik Shikshan Samiti Dr. Sujay Mehta and other officials of Ahmedabad Municipal Corporation and education department, Our Past National President of HMAI Dr. Bhaskar Bhatt sir and present President of Unit Dr. Sneha Majmudar were on dias in inaugural ceremony.

After inaurural ceremony camp started. Around 65 Doctors gave their service. They check Height, weight, arm circumference of each child, took Homoeopathic history in brief, prescribed required medicines for one month and gave diet advises.

After hectic work of 3 hours, camp ended and group photo of all members taken.

All arrangements were very well managed by AMC school board under guidance of Dr. Sujay Mehta.

It was the first day of camp in a project of 6 months. Next month again we will assess the progress in same children.

Next month plans:

1. CME of Dr. P.T. Patel Sir
2. Visit to Gandhinagar Homoeopathic College
3. Camp for children in end of month.

Thanks.

Dr.HARSHIT TRIVEDI, SECRETARY,HMAI AHMEDABAD UNIT.
