Meeting circular

Dear members,

Rotary projects done in the week:

The 2nd and final medical camp @ Niramal school for the school going children of the slum dwellers of Rajkot was held on March 20, 2013. This time with the efforts of Dr Milan Dave we also got one more doctor, Dr Jigna Doshi. Annet Meenal Sukhval was already present and ready. As usual Dr Milan Dave, Rtn Bhaumik Doshi & RAnn Priyanka Doshi was there to serve the community. They screened around 300 children. As per their opinion, almost 80% of the children were suffering from one or the other disease.

The data would be ready very soon and immediately we will start treatment of required patients.

Rtn P I Shah was there in both the camps and this time as need arise, though he being a senior Rotarian started preparing the case papers. Rtn Haren Vora and Rtn Dhruv Jasani took the full control about the administration of the entire camp with the team of my people. Rtn Jaimini was also present and actively took part in managing the flow of the patients.

RAnn Parita Gandhi managed for the pack of biscuits for the children and water and cold drinks for the team.

Thanks a ton to all of you who have helped directly or indirectly, in the projects.

'Be A ware' an initiative take with Rajkot Police, is on the way and entire design of the program is ready to be launched. The initiative is to make more and more people aware against various types of crime, so that it can be avoided and if at all happens should know what immediate steps need to be taken, so that the culprits can be caught at the earliest.
