Celebrating Platinum Jubilee

Rotary Club of Rajkot celebrates its Platinum Jubilee!

75 years of service, devotion and fellowship. As we set this benchmark with our past achievements. We only aim to keep going and getting better. Reach up and spiral out.

We embrace our desire to feel the rhythm, to feel connected, to feel inspired, to fathom the power, to bathe in the fountain, to swing on the spiral and still be human.

And following our will and wind, we may just go where no one's been. *Suvasatam* welcomes a new era.

Get ready.. We Are!
