

41<sup>st</sup> Annual Conference of  
Academy of Pediatrics, Gujarat

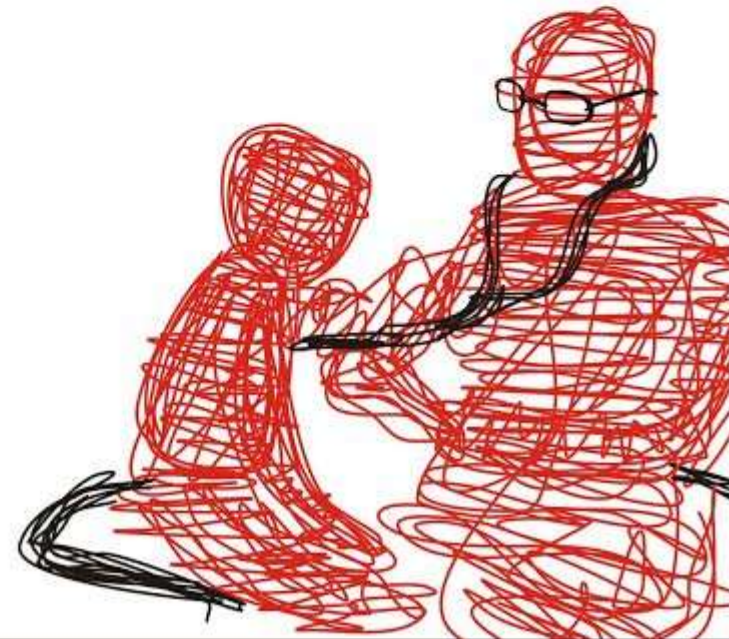

## GIAPCON 2015

19<sup>th</sup> - 20<sup>th</sup> December, 2015 • RAJKOT

Hosted by : AOP Rajkot

6 From Pediatrics to Applied Pediatrics • Do What You Learn 9

Dear Academician,

Kindly accept the warm regards from AOP-RAJKOT.

As you must be aware, the next annual conference of AOP-Gujarat "**GIAPCON 2015**" is going to be held on **19<sup>th</sup>-20<sup>th</sup> December, 2015 at Rajkot.**

The ball was already set rolling when registrations were thrown open at Gandhidham conference and till now, we have confirmed more than 300 registrations and tentative figure may reach all time high.

The theme of **GIAPCON 2015** is **From Pediatrics to Applied Pediatrics • Do what you learn.** Most of us know much about the theory but little we know about it's practical aspects and littler we apply them in our practice. The gap between the classroom and office room needs to be minimized and earlier the better. So, let's Do what we learn.

The organizing core committee is all set to welcome you for a memorable event. Mouth-watering delicacies will be served, not only at food court, but also inside the auditorium in form of rich academics. The scientific committee is working hard to serve you a balanced mixture of basics and advance. Many stalwarts have given their nod to be the part of galaxy of speakers.

So, mark your dates on calendar and book your ticket to Rajkot. We can not afford to miss you in this event.

**Organizing Core Committee**
