• About The Conference •

American Society for Quality (ASQ) is the world's largest not for profit organization of people who are passionate about Quality. ASQ has members with more than 80000 people and 700 companies in more than 140 countries which are directed by Local Member Communities (LMC) and Ahmedabd LMC being one of them.

In the month of November (Quality Month worldwide), ASQ Ahemdabad LMC every year organizes Annual Quality Conference in collaboration with Institute of Management, Nirma University. Objective behind this event is to share best practices in the field of Quality Management.

In this year's conference besides 40+ Live Case Studies presentations in parallel technical tracks, there will be distinguished global personalities speeches, release of a new book on Quality Management, Best Case Study Competition, plus excellent networking opportunities as there will be 300+ participants during the Conference.

• About Institute of Management, Nirma University •

Founded on the vision of Padmashree Dr. Karsanbhai Patel of Shaping a better future for mankind by developing effective and socially responsible individuals and organizations, the Institute of Management, Nirma University came into existence in 1996. Aiming at producing not only good professionals but also good and worthy citizens of a great country, aiding in its overall progress and development it imparts top-class business education and has produced new generation leaders and managers over the years. The Institute believes in serious academic pursuit and encourages original and innovative thinking with regard to national and internationally relevant ideas, policies through intellectually stimulating debates and discussions at all levels.

The institute has consistently been ranked among the top B-Schools of the country [10th Best Pvt. B-School, and 29th Best Overall (NIRF 2016); 15th Best Pvt. B-School (Education World 2016); 19th Best B-School (Times B-School Survey, 2016)]. The Nirma University has also been conferred the highest grade 'A' by the National Accreditation body NAAC for Quality in Academics.

• About American Society for Quality •

ASQ (American Society for Quality) is world's leading community of people who are passionate about Quality. It is the oldest association nearing 70th year of growth, and is the world's largest (not for profit) professional association with more than 80000 people and 700 companies with members in more than 140 countries. In India, ASQ has been formally registered in September 2010 as 'The American Society for Quality India Pvt. Ltd' with Head Quarters at New Delhi. It has almost 1000 professionals through self directed Local Member Communities (LMC) and Ahmedabad being one of them.

Ahmedabad LMC has been vibrant in promoting the four principles driving the LMC –Learn, Improve, Share and Develop. Our vision is "To make the world a better place in which to live" and the mission is "To continually improve and increase the impact of Quality as a way of life by understanding and sharing best practices with our members, stakeholders, and institutions in the state of Gujarat, India'
