YROC - 2016

Rajkot. January 30th & 31st, 2016

Welcome

Dear Colleague

On behalf of Gujarat-MP chapter and Aaruni Hospital Pvt Ltd; it gives us great pleasure to invite you for the 4th National Conference of Young Radiation Oncologists of India (YROC 2016) to be held at Rajkot, Gujarat on 30th and 31st January 2016.

YROC encourages young Radiation Oncologists of India to come together and showcase their work; share their knowledge and interact in order to increase awareness and learn modern-evidence based scientific protocols.

The theme of the present conference is "Emerging-Evidence Guided Radiation Therapy (e-EGRT)".

The two days conference would include brain storming sessions; debates; panel discussions; paper and poster presentations and last but not the least- contouring workshops.

We will also request you to circulate the conference information among your friends and colleagues who may be interested in participating in the conference.

The weather during this period is the best time to visit the state; Gujarat offers scenic beauty from Great Rann of Kutch to the hills of Saputara. Gujarat is the one and only place to view pure Asiatic lions in the world. It also offers you religious fulfilment from Dwarka to Somnath to Mount Girnar.

A quote made famous by Amitabh Bachhan "Come breathe in a bit of Gujarat".

Looking forward to your participation.

Thanks and Regards
