### Report of the program:

Assessment patterns is a very important topic and it was a privilege to have a CDE on this topic by Dr. Janki Shah, Head in charge, Dept of Public health dentistry. The CDE very well explained the importance of unbiased assessment patterns. Use of OSCE and OSPE were explained. Categorizing of slow and advance learners and strategies to improve them further was briefed. Outline about conducting MCQs based test after lectures, feedback after term ends, individual assessment of student's performance clinically and academically, guidance by mentors were some of the key highlights.
