REPORT OF THE EVENT

Dr. Mohan Bhuvaneshwaram is one of the eminent instructor and guide in India for dental esthetic restoration ,has conducted several sessions and had enlightened several students with their knowledge.

The aim of the event was to demonstrate the smile designing on maxillary anteriors with composite restoration. Live streaming of esthetic contouring of maxillary anterior teeth with composite restoration on patient was done at lecture hall 1. He explained the microesthetic features to give life like appearance to the teeth , which is of immense help in regular dental practice.

The session was attended by the 17 post graduate students, 40 interns , & 15 staff all of them acquired the knowledge regarding esthetics . So the session was highly helpful for all.
