Complete management of the accounts is digitalized using government portal IFMS (Integrated Financial Management System) part of GSWAN for managing transparent account transaction and ensuring expenditure within permissible limit of budgeted amount as per all 7 classes.

Various bills like Salary bill, Medical Allowance bill, Pay difference bill, Stipend bill, LTC bill, Contingency Bill (Outsourcing expenses, Material, Stationery, etc.) are generated at account section. Bills generated are approved and signed at first level by DDO (Drawing and Disbursing Officer). The approved bills are further verified and signed at by Controlling Officer of the institute (Dean of GDCHA). Once signed by Controlling Officer bills are sent to Office of Directorate of Accounts and Treasuries Department Of Government Of Gujarat. Here the bills are reviewed and final approval is given by treasury officer. Approved amount is deposited in applicant's bank account by E-Payment ensuring complete transparency of finances.

Treatment charges collected from patients is as per their monthly income fixed by Government of Gujarat. Revenue collected each day is deposited in govt. account. Tuition and hostel fees of students collected as per government norms are also deposited in government Account.

Rogi Kalyan Samiti (RKS)

RKS account is a separate account wherein token amount collected for case registration, charges for out sourced services (orthodontic treatment and crown & bridge work),etc. gets deposited. Annual Audit of RKS account is done by the Chartered Accountant appointed by GDCHA. Report of which has to be presented to Health Secretary in annual RKS meeting.

Unbiased evaluation and management of accounts of GDCHA is ensured by two tier auditing system from Government of Gujarat. From -

1. Commissionerate Of Health , Medical Sercives and Medical Education, Gandhinagar
2. The Office of Accountant General, Rajkot.

Both the audit team scrutinizes all Government accounts including RKS account.
