Report-1st BDS Orientation Program

The orientation program was conducted on 29th September 2016 with the objective to orient the incoming undergraduates to the institute, appraise them regarding rules and regulations of the institute, professional ethics and course curriculum, etc.

Orientation began with a video representation showcasing the entire college and hospital followed by a presentation by Dr. Shikha Kanodia who provided the details of year wise subjects, fee structure, various educational as well as extracurricular activities conducted in the college, anti-ragging committee, hostel facility, library, infrastructure, examination patterns, prospects after BDS, rules and regulations of the institution and professional ethics. Students were also updated regarding vaccination facility.

The students were also addressed by the Dean of the Institution Dr Girish Parmar. He congratulated students for seeking admission in one of the most reputed colleges. He instructed students to be disciplined and abide by the rules and regulations of institute.

Students were thereafter welcomed with the flowers and each student was given a college handbook and an antiragging affidavit to be signed.

This was followed by white coat ceremony in which the students were made to take an 'Hippocrates oath' which emphasizes on the Code of Ethics and Conduct which is to be honoured as they enter into dental profession.

The students were then taken for the College visit. Along with faculty coordinators they visited different departments where they were explained what kind of treatments are provided. After completion of administrative formalities, those students who wanted hostel were allotted rooms.

REPORT FOR 3rd YEAR ORIENTATION PROGRAMME

Orientation for 3rd year students aimed to orient students towards clinicals. It began with their introduction and attendance. Presentation by Dr Shikha Kanodia included details about 3rd year subjects. They were detailed about their postings in various clinical departments and for medicine & surgery in patient wards of adjacent Government medical college and hospital.

To make students prepared for clinics a series of lectures were conducted. Dr. Jurmi Kothari took lecture on Infection Control through which she emphasized on sterilization protocol and importance of PPE both for patients & doctor. Dr. Tejas discussed about biomedical disposal. He guided students about disposal of which type of waste to be disposed in which type of colour coded buckets. Dr Sneha Vyas talked about professional Ethics to be followed in clinics. Dr Janki Shah updated about the community services like dental camps in rural areas and schools. Dr Abhishek Parmar explained the importance of Ergonomics while working on patients i.e., correct posture to prevent future musculoskeletal diseases. Following lectures, Students were introduced to their subject teachers. Lastly Interactive discussion occurred between teachers and students. In afternoon session students had a visit to various clinical departments where they were demonstrated sterilization procedure as well as clinical steps.

Orientation Report – Post Graduate Program

The orientation program began with a video representation showcasing the entire college and hospital followed by a presentation by Dr. Shantanu Choudhary including the details of fee structure, various activities conducted in college, anti-ragging committee, hostel facility, library, infrastructure, examination patterns, and prospects after MDS, rules and regulations of the institution and professional ethics. They are also guided towards the research work and important parameters like Dental Photography, Research methodology, Biostatistics and Forensic Odontology.

Dental photography- Students were briefed in dental photography as it is required for authentic documentation of clinical cases. Students were guided about various intraoral and extra oral photography equipments and techniques.

Research Methodology –Students were taught in brief about basic research methodologies including study design. Biostatistics –the students were introduced to various statistical analysis methods to analyse the results of the study.

Forensic Odontology – In this, students were made aware regarding the role of dentistry in field of forensics. Proper examination, handling, and presentation of dental evidence in a court of law.

The students were welcomed by the Dean of the Institute, Dr. Girish Parmar. He congratulated students for securing admission in prestigious Government Dental College and Hospital, Ahmedabad. Dr. Shikha Kanodia gave an introductory presentation about the specialized clinic. Dr. Girish Parmar, Dean also offered an opportunity to students to choose the post-graduate guide.

Followed by vote of thanks was given by Dr. Sanjay Lagdive. Students were taken for the college visit by the faculty coordinators followed by which hostel allotment was done.

Report-1st BDS Orientation Program

The orientation program was conducted on 11th September 2017 with the objective to orient the incoming undergraduates to the institute, apprise them regarding rules and regulations of the institute, professional ethics and course curriculum, etc.

Orientation began with a video representation showcasing the entire college and hospital followed by a presentation by Dr. Shikha Kanodia who provided the details of year wise subjects, fee structure, various educational as well as extracurricular activities conducted in the college, anti-ragging committee, hostel facility, library, infrastructure, examination patterns, prospects after BDS, rules and regulations of the institution and professional ethics. Students were also updated regarding vaccination facility.

The students were also addressed by the Dean of the Institution Dr Girish Parmar. He congratulated students for seeking admission in one of the most reputed colleges. He instructed students to be disciplined and abide by the rules and regulations of institute.

Students were thereafter welcomed with the flowers and each student was given a college handbook and an antiragging affidavit to be signed.

This was followed by white coat ceremony in which the students were made to take an 'Hippocrates oath' which emphasizes on the Code of Ethics and Conduct which is to be honoured as they enter into dental profession.

The students were then taken for the College visit. Along with faculty coordinators they visited different departments where they were explained what kind of treatments are provided. After completion of administrative formalities, those students who wanted hostel were allotted rooms.

REPORT 2nd YEAR B.D.S ORIENTATION PROGRAM

Orientation program for 2nd year students was conducted with the objective to orient the students towards importance of 2nd year subjects.

Orientation programme began with introduction of Students. Their attendance was also taken.

Dr Shikha Kanodia gave presentation giving details of course curriculum. Inputs regarding all three subjects Pathology, Pharmacology and Dental Materials were given including both theory and practical. Also explained about preclinical subjects i.e., Conservative Dentistry & Endodontics and Prosthetics. Examination pattern as well as weightage of marks for each subject was also explained.

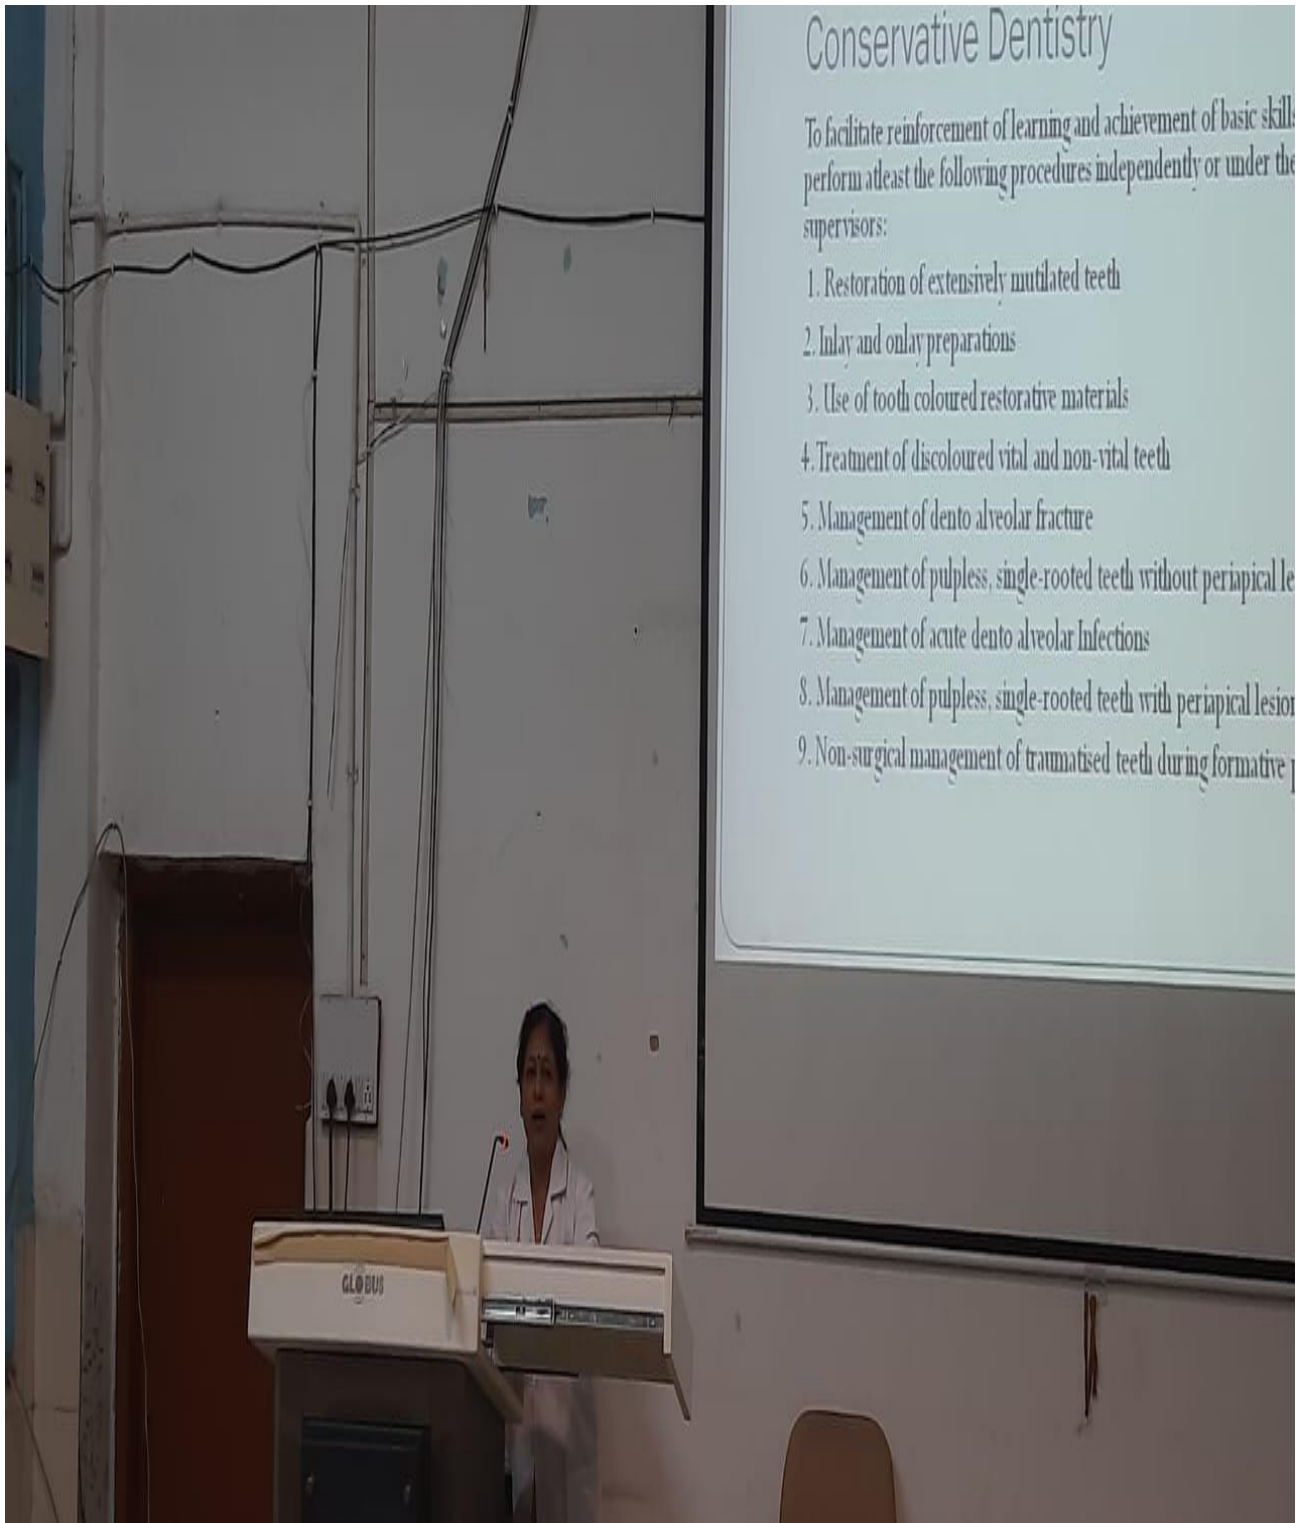

Students were introduced to their subject teachers. Following which students were taken by coordinators for preclinic and lab visit.

REPORT FOR 3rd YEAR ORIENTATION PROGRAMME

Orientation for 3rd year students aimed to orient students towards clinicals. It began with their introduction and attendance. Presentation by Dr Shikha Kanodia included details about 3rd year subjects. They were detailed about their postings in various clinical departments and for medicine & surgery in patient wards of adjacent Government medical college and hospital.

To make students prepared for clinics a series of lectures were conducted. Dr. Harikrishna took lecture on Infection Control through which she emphasized on sterilization protocol and importance of PPE both for patients & doctor. Dr. Jurmi Kothari discussed about biomedical disposal. She guided students about disposal of which type of waste to be disposed in which type of colour coded buckets. Dr Piyush Limdiwala talked about professional Ethics to be followed in clinics. Dr. Kajal updated about the community services like dental camps in rural areas and schools. Dr Abhishek Parmar explained the importance of Ergonomics while working on patients i.e., correct posture to prevent future musculoskeletal diseases. Following lectures, students were introduced to their subject teachers. Lastly Interactive discussion occurred between teachers and students. In afternoon session students had a visit to various clinical departments where they were demonstrated sterilization procedure as well as clinical steps.

Orientation Report – Post Graduate Program

The orientation program began with a video representation showcasing the entire college and hospital followed by a presentation by Dr. Shantanu Choudhary including the details of fee structure, various activities conducted in college, anti-ragging committee, hostel facility, library, infrastructure, examination patterns, and prospects after MDS, rules and regulations of the institution and professional ethics. They are also guided towards the research work and briefed about important aspects like Dental Photography, Research methodology, Biostatistics and Forensic Odontology.

Dental photography- Students were trained in dental photography as it is required for authentic documentation of clinical cases. Students were guided about various intraoral and extra oral photography equipments and techniques.

Research Methodology –Students were taught in brief about basic research methodologies including study design. **Biostatistics –**the students were introduced to various statistical analysis methods to analyse the results of the study.

Forensic Odontology – In this, students were made aware regarding the role of dentistry in field of forensics. Proper examination, handling, and presentation of dental evidence in a court of law.

The students were welcomed by the Dean of the Institute, Dr. Girish Parmar. He congratulated students for securing admission in prestigious Government Dental College and Hospital, Ahmedabad. He also offered an opportunity to students to choose the post-graduate guide. Facilities available at various specialized clinics and role of post graduates in the clinic was presented by Dr. Shikha Kanodia. This was followed by vote of thanks was given by Dr. Sanjay Lagdive. The new post graduate students visited the clinics followed by which hostel allotment and other administrative formalities were completed.

Report-1st BDS Orientation Program

The orientation program was conducted on 6th September 2018 with the objective to orient the incoming undergraduates to the institute, apprise them regarding rules and regulations of the institute, professional ethics and course curriculum, etc.

Orientation began with a video representation showcasing the entire college and hospital followed by a presentation by Dr. Shikha Kanodia who provided the details of year wise subjects, fee structure, various educational as well as extracurricular activities conducted in the college, anti-ragging committee, hostel facility, library, infrastructure, examination patterns, prospects after BDS, rules and regulations of the institution and professional ethics. Students were also updated regarding vaccination facility.

The students were also addressed by the Dean of the Institution Dr Girish Parmar. He congratulated students for seeking admission in one of the most reputed colleges. He instructed students to be disciplined and abide by the rules and regulations of institute.

Students were thereafter welcomed with the flowers and each student was given a college handbook and an antiragging affidavit to be signed.

This was followed by white coat ceremony in which the students were made to take an 'Hippocrates oath' which emphasizes on the Code of Ethics and Conduct which is to be honoured as they enter into dental profession.

The students were then taken for the College visit. Along with faculty coordinators they visited different departments where they were explained what kind of treatments are provided. After completion of administrative formalities, those students who wanted hostel were allotted rooms.

REPORT 2nd YEAR B.D.S ORIENTATION PROGRAM

Orientation program for 2nd year students was conducted with the objective to orient the students towards importance of 2nd year subjects. Orientation programme began with introduction of Students. Their attendance was also taken.

Dr Shikha Kanodia gave presentation giving details of course curriculum. Inputs regarding all three subjects Pathology, Pharmacology and Dental Materials were given including both theory and practical. Also explained about preclinical subjects i.e., Conservative Dentistry & Endodontics and Prosthetics. Examination pattern as well as weightage of marks for each subject was also explained. Students were introduced to their subject teachers. Following which students were taken by coordinators for preclinic and lab visit.

REPORT FOR 3rd YEAR ORIENTATION PROGRAMME

Orientation for 3rd year students aimed to orient students towards clinicals. It began with their introduction and attendance. Presentation by Dr Shikha Kanodia included details about 3rd year subjects. They were detailed about their postings in various clinical departments and for medicine & surgery in patient wards of adjacent Government medical college and hospital.

To make students prepared for clinics a series of lectures were conducted. Dr. Harikrishna took lecture on Infection Control through which she emphasized on sterilization protocol and importance of PPE both for patients & doctor. Dr. Tejas discussed about biomedical disposal. He guided students about disposal of which type of waste to be disposed in which type of colour coded buckets. Dr. Sneha Vyas talked about professional Ethics to be followed in clinics. Dr Janki shah updated about the community services like dental camps in rural areas and schools. Dr. Nupur Dhanak explained the importance of Ergonomics while working on patients i.e., correct posture to prevent future musculoskeletal diseases. Following lectures, students were introduced to their subject teachers. Lastly Interactive discussion occurred between teachers and students. In afternoon session students had a visit to various clinical departments where they were demonstrated sterilization procedure as well as clinical steps.

ORIENTATION REPORT – POST GRADUATE PROGRAM

The orientation program began with a video representation showcasing the entire college and hospital followed by a presentation by Dr. Shantanu Choudhary including the details of fee structure, various activities conducted in college, anti-ragging committee, hostel facility, library, infrastructure, examination patterns, and prospects after MDS, rules and regulations of the institution and professional ethics. They are also guided towards the research work and various important topics necessary for the curriculum like Dental Photography, Research methodology, Biostatistics and Forensic Odontology.

Dental photography- Students were trained in dental photography as it is required for authentic documentation of clinical cases. Students were guided about various intraoral and extra oral photography equipments and techniques.

Research Methodology –Students were taught in brief about basic research methodologies including study design. **Biostatistics –**the students were introduced to various statistical analysis methods to analyse the results of the study.

Forensic Odontology – In this, students were made aware regarding the role of dentistry in field of forensics. Proper examination, handling, and presentation of dental evidence in a court of law.

The students were welcomed by the Dean of the Institute, Dr. Girish Parmar. He congratulated students for securing admission in prestigious Government Dental College and Hospital, Ahmedabad. Presentation about various specialized clinics was given by Dr. Shikha Kanodia. Dr. Girish Parmar, Dean offered an opportunity to students to choose the post-graduate guide.

Followed by vote of thanks was given by Dr. Sanjay Lagdive. Students visited various clinics and hostel allotment was done for necessary students.

Report-1st BDS Orientation Program

The orientation program was conducted on 5th August 2019 with the objective to orient the incoming undergraduates to the institute, apprise them regarding rules and regulations of the institute, professional ethics and course curriculum, etc.

Orientation began with a video representation showcasing the entire college and hospital followed by a presentation by Dr. Shikha Kanodia who provided the details of year wise subjects, fee structure, various educational as well as extracurricular activities conducted in the college, anti-ragging committee, hostel facility, library, infrastructure, examination patterns, prospects after BDS, rules and regulations of the institution and professional ethics. Students were also updated regarding vaccination facility.

The students were also addressed by the Dean of the Institution Dr Girish Parmar. He congratulated students for seeking admission in one of the most reputed colleges. He instructed students to be disciplined and abide by the rules and regulations of institute.

Students were thereafter welcomed with the flowers and each student was given a college handbook and an anti-ragging affidavit to be signed.

This was followed by white coat ceremony in which the students were made to take an 'Hippocrates oath' which emphasizes on the Code of Ethics and Conduct which is to be honoured as they enter into dental profession.

The students were then taken for the College visit. Along with faculty coordinators they visited different departments where they were explained what kind of treatments are provided. After completion of administrative formalities, those students who wanted hostel were allotted rooms.

REPORT FOR 3rd YEAR ORIENTATION PROGRAM

Orientation for 3rd year students aimed to orient students towards clinicals. It began with their introduction and attendance. Presentation by Dr Shikha Kanodia included details about 3rd year subjects. They were detailed about their postings in various clinical departments and for medicine & surgery in patient wards of adjacent Government medical college and hospital.

To make students prepared for clinics a series of lectures were conducted. Dr. Jurmi Kothari took lecture on Infection Control through which she emphasized on sterilization protocol and importance of PPE both for patients & doctor. Dr. Harikrishna discussed about biomedical disposal. She guided students about disposal of which type of waste to be disposed in which type of colour coded buckets. Dr Piyush Limdiwala talked about professional Ethics to be followed in clinics. Dr. Kajal updated about the community services like dental camps in rural areas and schools. Dr Abhishek Parmar explained the importance of Ergonomics while working on patients i.e., correct posture to prevent future musculoskeletal diseases. Following lectures. Students were introduced to their subject teachers. Lastly Interactive discussion occurred between teachers and students. In afternoon session students had a visit to various clinical departments where they were demonstrated sterilization procedure as well as clinical steps.

Orientation Report – Post Graduate Program

The orientation program began with a video representation showcasing the entire college and hospital followed by a presentation by Dr. Shantanu Choudhary including the details of fee structure, various activities conducted in college, anti-ragging committee, hostel facility, library, infrastructure, examination patterns, and prospects after MDS, rules and regulations of the institution and professional ethics. They are also guided towards the research work and various important topics like Dental Photography, Research methodology, Biostatistics and Forensic Odontology.

Dental photography- Students were trained in dental photography as it is required for authentic documentation of clinical cases. Students were guided about various intraoral and extra oral photography equipments and techniques.

Research Methodology –Students were taught in brief about basic research methodologies including study design. **Biostatistics –**the students were introduced to various statistical analysis methods to analyse the results of the study.

Forensic Odontology – In this, students were made aware regarding the role of dentistry in field of forensics. Proper examination, handling, and presentation of dental evidence in a court of law.

The students were welcomed by the Dean of the Institute, Dr. Girish Parmar. He congratulated students for securing admission in prestigious Government Dental College and Hospital, Ahmedabad. Presentation of various specialized clinics was given by Dr. Shikha Kanodia. Dr. Girish Parmar, Dean also offered an opportunity to students to choose the post-graduate guide. The program ended by vote of thanks given by Dr. Sanjay Lagdive. The new post graduate students visited various clinics and their administrative formalities and hostel allocation was done.

Report-1st BDS Orientation Program

The orientation program was conducted on 4th January 2021 with the objective to orient the incoming undergraduates to the institute, apprise them regarding rules and regulations of the institute, professional ethics and course curriculum, etc.

Orientation began with a video representation showcasing the entire college and hospital followed by a presentation by Dr. Shikha Kanodia who provided the details of year wise subjects, fee structure, various educational as well as extracurricular activities conducted in the college, anti-ragging committee, hostel facility, library, infrastructure, examination patterns, prospects after BDS, rules and regulations of the institution and professional ethics. Students were also updated regarding vaccination facility and Mentorship program.

The students were also addressed by the Dean of the Institution Dr Girish Parmar. He congratulated students for seeking admission in one of the most reputed NABH accredited colleges. He instructed students to be disciplined and abide by the rules and regulations of institute.

Students were thereafter welcomed with the flowers and each student was given a college handbook and an antiragging affidavit to be signed.

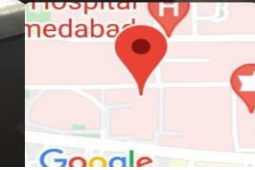

This was followed by white coat ceremony in which the students were made to take an 'Hippocrates oath' which emphasizes on the Code of Ethics and Conduct which is to be honoured as they enter into dental profession.

The students were then taken for the College visit. Along with faculty coordinators they visited different departments where they were explained what kind of treatments are provided. Following which they were taken for hostel visit.

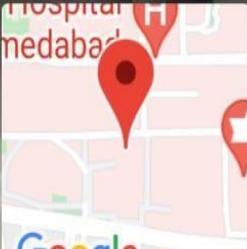

In afternoon session mentors were assigned to the students in the batch of ten under each mentor. After that student were instructed to finish their administrative formalities. Those students who wanted hostel were allotted rooms.

REPORT FOR 3rd YEAR ORIENTATION PROGRAMME

Orientation for 3rd year students aimed to orient students towards clinicals. It began with their introduction and attendance. Presentation by Dr Shikha Kanodia included details about 3rd year subjects. They were detailed about their postings in various clinical departments and for medicine & surgery in patient wards of adjacent Government medical college and hospital.

To make students prepared for clinics a series of lectures were conducted. Dr. Hari Krishna took lecture on Infection Control through which she emphasized on sterilization protocol and importance of PPE both for patients & doctor. Dr. Tejas discussed about biomedical disposal. He guided students about disposal of which type of waste to be disposed in which type of colour coded buckets. Dr Piyush talked about professional Ethics to be followed in clinics. Dr Janki Shah updated about the community services like dental camps in rural areas and schools. Dr Abhishek Parmar explained the importance of Ergonomics while working on patients i.e., correct posture to prevent future musculoskeletal diseases. Following lectures, Mentor allotment was done. Students were introduced to their subject teachers. Lastly Interactive discussion occurred between teachers and students. In afternoon session students had a visit to various clinical departments where they were demonstrated sterilization procedure as well as clinical steps.

Report – Interns Orientation Program

Orientation programme was conducted to orient the students to internship curriculum and training. Session began with Introduction of Interns.

Welcome Speech was delivered by Dr. Girish Parmar, Additional Director (Dental) and Dean. He also felicitated the topper students. It was followed by lecture on scope of Dentistry by Dr. Shantanu Chaudhary. He updated students about scope of dentistry in India and abroad.

Dr. Shikha Kanodia updated students about the various specialized clinics like Comprehensive/Integrated, Aesthetic, Implant, Geriatric and Special Health Care Need Clinics. They were explained the importance of each clinic.

1. Comprehensive/ Integrated clinic – Students are provided with an additional training to make them capable of identifying and fulfilling all the treatment needs of a patient.
2. Implant clinic- Students are taught about of Prosthetic replacement.
3. Geriatric Clinic- to diagnose and deliver an appropriate dental care to older adults
4. Special Health care needs- to provide an essential dental health care to physically and mentally challenged patients
5. Tobacco cessation clinic- to create an awareness regarding oral cancer and counselling to quit tobacco.
6. Esthetic clinic- to provide Restorative & cosmetic treatment in the esthetic zones for enhancement of smile and improving overall visual appearance.

This was followed by a lecture by Dr. Nupur Dhanak for NEET preparation. She presented tips and tricks to crack NEET.

Students were taken for visit to various specialized clinics by the coordinators Dr. Harikrishna Ramanuj and Dr. Sakshi Trivedi.

Orientation Report – Post Graduate Program

The orientation program began with a video representation showcasing the entire college and hospital followed by a presentation by Dr. Shantanu Choudhary including the details of fee structure, various activities conducted in college, anti-ragging committee, hostel facility, library, infrastructure, examination patterns, and prospects after MDS, rules and regulations of the institution and professional ethics. They are also guided towards the research work and various courses like Dental Photography, Research methodology, Biostatistics and Forensic Odontology.

Dental photography- Students were trained in dental photography as it is required for authentic documentation of clinical cases. Students were guided about various intraoral and extra oral photography equipments and techniques.

Research Methodology – Students were taught in brief about basic research methodologies including study design.

Biostatistics – the students were introduced to various statistical analysis methods to analyse the results of the study

Forensic Odontology – In this, students were made aware regarding the role of dentistry in field of forensics. Proper examination, handling, and presentation of dental evidence in a court of law.

The students were welcomed by the Additional Director (Dental) and Dean of the Institute, Dr. Girish Parmar. He congratulated students for securing admission in prestigious Government Dental College and Hospital, Ahmedabad. He also offered an opportunity to students to choose the post-graduate guide.

Followed by vote of thanks was given by Dr. Sanjay Lagdive.
