REPORT OF EVENT

“Implications of CBCT in Dentistry”

An add-on program on CBCT was conducted for final year students by oral medicine and radiology department in Government dental college and hospital on 28/12/2021 which was attended by 72 students.

CBCT play a paramount role in the accurate diagnosis, treatment planning and prognostic evaluation of various complex dental pathologies. CBCT has revolutionized the practice of dentistry and considered as gold standard for imaging of maxillofacial due to its numerous advantages. Dr. Shilpa Parikh provided excellent information about CBCT and enriched our knowledge in add on program conducted for final year students.
