SUB- Report of an **“Oral Health Screening and Awareness Programme”** on 26th March, 2024

Respected ma'am,

As a part of regular screening activity for **Adopted School** an **“Oral Health screening and awareness programme”** was conducted at Earth English school, Shahibaug on 26th March, 2024 by Dept. of Public Health Dentistry, GDCH, Ahmedabad. Around 89 school students were screened for oral diseases and appropriate dental treatments were advised to parents via school authority. Oral health education was given to all school students explaining about oral disease and their preventive methods by using chalk and talk method. It was elaborated to all the students using various charts and pamphlets. School students were reinforced about an appropriate method of brushing. Informative materials were distributed among students for oral health awareness. The program was attended by staff, postgraduate and interns posted in the department. It was a beneficial event.

Thanking you.

Yours Sincerely,

Dr. Janki Shah
