SUB: Report of “**Dental Protection Campaign for Anganwadi workers**” Ahmedabad, at Jay Yogeshwar Anganwadi Kendra, Meghaninagar.

Respected Ma'am,

“**Dental Protection Campaign for Anganwadi workers**” was conducted at Jay Yogeshwar Anganwadi Kendra, Meghaninagar on 21st October, 2024 by Dept. of Public Health Dentistry, GDCH, Ahmedabad. Oral health education was provided to 80 Anganwadi workers through pamphlets and educational models. They were made aware of common oral health issues and taught proper oral hygiene practices, enabling them to share this knowledge with the children in their care. Additionally, they were trained to identify and manage destructive oral habits frequently observed in children and were instructed on the steps to take in the event of dental trauma, such as fractures or avulsions. They were also screened for oral diseases, following standard protocols, and appropriate dental treatment was recommended where necessary. The program was conducted with the participation of postgraduate students and interns from the Department of Public Health Dentistry at GDCH, Ahmedabad.

It was a beneficial programme.

Thanking you.
