## **Description**

- A program on Biotechnology incubators in Higher Education Institutions was held at Government Dental College and Hospital Ahmedabad on 28-11-2022 for the teaching faculty and post graduate students of GDCH, Ahmedabad. Dr. Sanjay Lagdive was the Program coordinator for the same.
- The program started on 28/11/2022 at 11:00 a.m. with Dr. Yashpreetsingh Bhatia inviting Dr. Girish Parmar, Dean Government Dental College & Hospital Ahmedabad and the Speaker Dr. Anasuya Bhadalkar, Joint Director, Human Resource Development and Business Development, Gujarat State Biotechnology Mission (GSBTM), Govt. of Gujarat on the stage. Dr. Sanjay Lagdive welcomed Dr. Anasuya Bhadalkar with a small plant. Dr. Yashpreetsingh Bhatia then gave a brief introduction of Dr. Anasuya Bhadalkar to the audience. He then invited Dr. Anasuya Bhadalkar to address the audience regarding Bioincubators in Higher Education Institutions.
- Dr. Anasuya Bhadalkar first explained the audience regarding the structural organization of Gujarat State Biotechnology Mission. She then enlightened the audience regarding the need and importance of Bioincubators in higher education institutions like Universities and Colleges. She also gave examples of already established and functioning incubators like the Savli Technology and Business Incubator. She informed the audience regarding how an incubator functions, encourages and guides young researchers, innovators and entrepreneurs to successfully test new ideas and solve problems in their respective fields and when the innovation is ready how the incubator guides them to file for intellectual property rights / patents. She also informed all post graduate students and young researchers regarding government schemes to support their endeavour and help them achieve their goal. Finally she asked the audience regarding any queries or doubts.
- Dr. Girish Parmar, Dean Government Dental College & Hospital then addressed the audience. He thanked Dr. Anasuya Bhadalkar for enlightening the audience regarding Bioincubators in Higher Education Institutions. He also suggested that GSBTM and GDCH Ahmedabad can collaborate for research and innovation in the field of Dentistry. He then felicitated Dr. Anasuya Bhadalkar with a Certificate for the program.
