WOMAN DOCTORS WING -IMA

Woman Doctors wing of AMA recently organised EVECON-2018-All India Woman Doctors Conference on 21st January-2018 at Ahmedabad, Gujarat under the aegis of Indian Medical Association. We created a history by gathering 1500 Lady Doctors for our event as Delegates from all over India. For this mega-event our National President-Dr. Ravi Wankhedkar, Secretary General-Dr. R.N.Tandon, our Finance Secretary-Dr. V.K.Monga and Joint Secretary-IMA- Dr. Mangesh Patel, presided and encouraged us Lady Doctors to be more active in IMA. The Chief Guest of the event were Imm. Past President of WMA- Honourable- **Dr. Ketanbhai Desai** and our Guest of Honour were MCI-President-Honourable **Dr. Jayshreeben Mehta**. All the topics discussed in the conference were regarding prevention and cure of ailments of women Health. As such a large number of Woman Doctors had gathered we also passed TWO-Resolution for Social Injustice done to women in the society.

1. State be requested to provide immediate(within one month of the domestic violence) fiscal compensation to every woman who is victim of domestic violence which should be according to the opinion of the treating doctor and it should be over and above the compensation being paid by the erring family member.
2. The State should make provision by which a Woman can file a criminal complaint against Adulterous husband in the same way as a husband is allowed to file a criminal complaint against an Adulterous wife.

The above two resolutions are send with covering letter from IMA to Central Ministries of India :

- 1) Ministry of Woman and Child Health
- 2) Ministry of National Commission of Woman-(NCW)
- 3) Ministry of Social Justice and Empowerment.

The speakers of the conference were of National fame and excellent orators.

So after this phenomenal success we have decided to make Woman Doctors Wing very strong and Powerful with greater representation from all over India.

We would be working on sensitive issues involving Women and Adolescent in the society -covering their Mental and Physical health.

With Regards,

Mona Desai M.D.(PED)

Chairperson-IMA Woman Doctors Wing.
