About Dean

Dr. Girish Parmar, Dean, GDCH Ahmedabad, since his designation to this post in July 2005, has taken on his responsibilities with remarkable enthusiasm. A strict administrator, known for his leadership qualities. He earned his Bachelors as well as Masters Degree (Conservative Dentistry & Endodontics) from the same institution.

He began his teaching career thereafter and soon rose to the post of 'Head of the Dept' at just the age of 32. He passed his Ph.D degree in 2004 and went on to become the Dean of GDCH Ahmedabad next year.

A young and dynamic personality, Dr. Girish Parmar has many contributions in various books and scientific articles pertaining to his subject. He is always keen towards organizing various scientific lectures & workshops in order to benefit the students and faculty.

He is awarded fellowships from various organizations like Royal Society of Health (London), World Health Organization (U.S.A.) & International College of Dentist (India and Sri Lanka Section). He is also awarded "Jewel of India" & "Life time achievement gold medal" award in the year 2005 for excellence in his field. He was Chief Investigator of WHO project on 'Atraumatic Restorations' in rural areas.

He is also responsible for the quality of the institution's academic programs. Our institution competes with the best institutions all over India in providing quality education and caters to different oral healthcare needs of the society. He has done an outstanding job in achieving its present state of the institute. Institute will continue to scale new heights of the achievements in the near future under his able leadership.

Welcome Note From Dean

It is rightly said “Education and Knowledge provide a good coordination between one’s mind and soul.” It is my proud privilege to be assuming the role of Dean, GDCH, Ahmedabad, one of the oldest Dental Institute imparting its services to the people of Gujarat and its neighbouring states established in 1963. The college has garnered a reputation for academic and scientific excellence and achievements. The mission of this institute is to educate and impart knowledge to its students, train them in the clinics and thereby render good service and care to the patients. In short we are all about INCREASING ACCESS to education and quality patient care. Our Institute provides undergraduate (BDS:100 Seats) as well as post graduate (MDS:35 Seats) courses to the students which are recognized by DCI. Institute also runs Ph.D course under the affiliation of Gujarat University. Our institute has a daily OPD of more than 500 from Gujarat as well as neighbouring states and provides quality treatment to them.

Our faculty members are highly skilled & proficient academicians and clinicians and continue to work hard to make our institute the best of its kind in the nation. Our Institute releases its own indexed scientific journal (JGDCH) which contains excellent review articles and interesting case reports by the staff as well as students. Scientific lectures, seminars, and workshops are regularly arranged by the eminent speakers of national and international repute.

The institute has secured modernized facilities and infrastructure required for research, education and clinical practice. We have all the latest state of the art equipments in our institute. A rich library with a vast collection of books and scientific journals along with internet facility is available for the students which enriches them with the latest knowledge from all the spheres of dentistry. We are committed to provide superior oral health care in our clinics and, through our outreach activities, have prepared thousands of students to be excellent Dental Professionals.

We are continuing to work together in making our institute the one that fosters the highest level of clinical education and research, with cutting-edge facilities for students and faculty, and the one where patients are served in an environment that is welcoming and efficient.

I encourage you to explore our website (www.gdchahmd.org) to learn more about our institute, its faculty, education & activities. Join us on our journey to enhance the Oral and Dental health of our community.

General Rules And Regulations

(College Timings: 9.00 AM To 05.00 PM, Recess: 01.00 PM To 2.00 PM)

(Saturday: 9.00 AM To 01.00 PM)

1. ATTENDANCE:

Regularity in attending lectures and practical sessions is compulsory. Students must have attended minimum 75% of each theory and practical in each term to be eligible to appear for the annual exam at the end of each year.

2. DISCIPLINE:

Discipline and decorum in the class is an absolute requirement from each student whether in college or hospital premises. Student should be polite and respectful with staff, patient, fellow colleagues and junior colleagues. Indiscipline shall be dealt strictly.

Proper formal dress code with Apron and Nameplate should be worn by student at all times when attending practical classes.

Ragging in any form is not permitted and severe disciplinary action would be taken in case any student is found to indulge in ragging. Every student is required to carry his or her identity card at all times and must produce the same when demanded.

3. INTERNAL EVALUATION:

Every student is expected to take internal test at the end of each term and preliminary exams as scheduled. Score for each test /exam will constitute to total internal examination marks in theory and practical. There will also be terminal and preliminary exam in theory and practical and will be based on the pattern of university exams

Marks obtained in these exams will be later taken into account while computing internal evaluation marks for both theory and practical.

4. PAYMENT OF FEES AND DUES

College tuition fees and other expenditure for journals and all other dues should be paid as per scheduled.

5. HOSTEL FACILITIES

Hostel facility will be provided to the outstation girl students only, which is situated within civil campus. At present renovation in the whole campus is going on. P.G. hostel and blocks for boy's hostel are demolished and planned to be constructed newly by P.I.U.

6. EXTRACURRICULAR ACTIVITIES

While these activities have an important role to play in student's life they should not be indulged in at the cost of academics. These activities shall be encouraged by the institute and students shall be motivated to participate in them by the college, however students should not remain absent from lecture / practical for the purpose.

7. STUDENTS/TEACHER RELATIONSHIP

Interpersonal relationships between lecturers and students go a long way in the overall development and upliftment of students.

All students are expected to discuss any problems with the staff and to communicate freely. However respect from students is expected for all teaching and non teaching staff members.

8. ANTI-RAGGING COMMITTEE

The committee has been formed by the institute to prevent any untoward event due to ragging/gender harassment within campus. Any form of misbehaviour by any person within the campus should be reported immediately to member of the concerned committee.

The Curriculum

The government dental college is affiliated to Gujarat University and follows new course curriculum as described by DCI. The course is of 4 years plus 1 year internship.

YEAR	SUBJECTS	PRECLINICS/PRACTICAL	DURATION

First Year B.D.S. Course And Syllabus

The language of teaching shall be English.

1. HUMAN ANATOMY, EMBRYOLOGY, HISTOLOGY AND MEDICAL GENETICS:

- General Anatomy: Introduction of anatomical terms and outline of various systems of body.
- Regional anatomy of head and neck region
- General disposition of thoracic and abdominal and pelvic organs
- General and systemic embryology with respect to development of head and neck
- Histology of basic tissues and organ systems
- Medical genetics

RECOMMENDED TEXTBOOKS:

- Clinical anatomy for medical students- Snell Richard
- Anatomy- RJ Last's
- Cunningham manual of Practical anatomy: Head and neck and brain- Romanes G.J
- Functional Histology- Wheater, Burkitt and Daniels
- Medical Embryology- Sadler, Langman's
- Gray's anatomy- Williams

2. HUMAN PHYSIOLOGY

- General physiology- hemostasis, structure of cell membrane, membrane potential, etc
- Blood- composition and function
- Muscles and nerves- Classification, structure and properties
- Digestive system- General structure of G.I Tract and function
- Excretory system- structure and function of kidneys
- Body temperature and functions of skin
- Endocrinology- enumeration of endocrine glands and hormones and function

- Reproduction- Sex differentiation, physiological anatomy of male and female sex organs
- Cardiovascular system- functional anatomy and innervations of heart properties of cardiac muscles
- Respiratory system- physiology of respiration and functional anatomy of respiratory passage and lungs
- Central Nervous System- organization, physiology and function

RECOMMENDED TEXTBOOKS:

- Textbook of physiology-Guyton
- Review of medical physiology- Ganong
- Concise Medical Physiology- Choudhari
- Human physiology- Chatterjee

3. BIOCHEMISTRY AND NUTRITION

- Chemistry of bioorganic molecules
- Macronutrients and digestion
- Micronutrients
- Energy metabolism
- Special aspects of metabolism
- Biochemical genetics and protein synthesis
- Enzyme and metabolic regulation
- Structural components and blood proteins
- Medical Biochemistry

RECOMMENDED TEXTBOOKS

- Concise textbook of Biochemistry- T.N. Pattabiraman
- Nutritional biochemistry- S Ramakrishnan and S.V. Rao
- Lecture Notes in Biochemistry- J.K. Kandlish

4. DENTAL ANATOMY, EMBRYOLOGY AND ORAL HISTOLOGY

- Tooth morphology
- Oral Embryology
- Oral Histology
- Oral physiology

RECOMMENDED TEXTBOOKS

- Orban's Oral Histology and embryology- S.N.Bhaskar
- Oral Development and Histology- James and Avery
- Wheeler's Dental Anatomy, Physiology and Occlusion- Major M. Ash

At the end of 1st year B.D.S undergraduate student should be able to

- Know the position of the structures in the body while doing clinical examination
- Know the anatomical basis of disease and injury
- Know the microscopic structure of various tissues
- Explain the normal functioning of all organ systems and their interactions
- List of physiological principles underlying the pathogenesis and treatment of disease
- Have a crisp knowledge on the biochemical basis of the life processes relevant to the human system and to dental practice
- Appreciate the normal development, morphology and structure and functions of oral tissues and variations in different pathological states.

Internal Exams And Marking Pattern

- Two Internal Assessment Examinations and a Preliminary Examination shall be conducted during each academic year, before appearing for the Final University Examination throughout the BDS course.
- A separate Internal Assessment Examination will be conducted for that student who misses the regular examination due to genuine reasons, only after the necessary documentation is produced before the concerned authorities.
- Please note that conducting re-examination would be at the sole discretion of the authorities and the student is bound to accept the decision taken by the authority.

Examination pattern

Examination	Theory (out of)	Practical(out of)
I internal	50	50
II internal	50	50
Prelims	70	100
University exam	70	100

Marks distribution			
Theory		Practical	
	Marks		Marks
Internal	10	University examination	90
Theory	70		
Viva voce	20	Internal	10

Univ.& Prelim: Theory exam is of 70 marks and time duration is of 3 hrs.
Question paper consists of full questions, short notes and one line short questions.

Practical examination: Practical examination consist of

- 1.Objective structured clinical evaluation
- 2.Record/log books
- 3.Practical examinations

Post-Graduate Courses

Our Institute provides undergraduate (BDS:100 Seats) as well as post graduate (MDS:35 Seats) courses to the students which are recognized by DCI. Institute also runs Ph.D course under the affiliation of Gujarat University. Post Graduate admission quota for All India Students and State Students is 50 % each.

Notice Regarding Curbing The Menace Of Ragging **At Government Dental College & Hospital,** **Ahmedabad**

WHAT IS RAGGING?

Ragging means display of disorderly conduct, doing of any act which causes or is likely to cause physical or psychological harm or raise apprehension or fear or shame or embarrassment to a student in any educational institution & includes:

- a) Teasing, abusing, threatening or playing practical jokes on, or causing hurt to such a student; or
- b) Asking a student to do any act or perform something which such student will not in the ordinary course willingly do (Maharashtra Prohibition of Ragging Act,1999).
- c) The human rights perspective of ragging involves the injury caused to the fundamental right to human dignity through humiliation heaped on junior students by seniors; often resulting in the extreme step of suicide by the victims.

Ragging has several aspects which include psychological, social, political, economic, cultural and academic dimensions. The political aspect of ragging is apparent from the fact that incidents of ragging are low in institutions which promote democratic participation of students in representation & provide an identity to students to participate in governance & decision making within the institute bodies.

STEPS THAT MAY BE TAKEN BY STUDENT IN AN EVENT OF INCIDENCE OF RAGGING

- 1) Contact number of wardens, all members of anti-ragging committee & squads, relevant authorities have been issued on the notice board. In case of any such occurrences, students may contact any of the above
- 2) Fresher or any other student, whether being victim, or witness, in any incident of ragging are encouraged to report such occurrence, and the identity of such informants will be protected & will not be subject to any

adverse consequence only for the reason for having reported such incidents. Those who want to be anonymous can submit their complaints to administrative office. The identity shall be kept undisclosed.

- 3) The students can contact the members of anti-ragging committee or squad, whose phone numbers are displayed along with the anti-ragging poster or they can directly approach the dean who in turn will direct the complaint to anti-ragging committee.
- 4) Those in hostel can also contact the hostel warden or any other staff members who will in turn direct the case to relevant authorities.
- 5) Freshers who do not report the incidents of ragging either as victim or as witnesses shall also be punished suitably.

A] PUNISHMENT FOR RAGGING:

- a) Penalty for ragging (section 4): Whoever directly or indirectly commits, participates in, abets or propagates ragging within or outside any educational institution shall on conviction be punished with imprisonment for a term which may extend to two years and shall also be liable to a fine may extend to ten thousand rupees.
- b) Dismissal of student (section 5): Any student convicted of an offence under section 4 shall be dismissed from the educational institution and such student shall not be admitted in any other educational institution for a period of five years from the date of order of such dismissal.
- c) Suspension of student (section 6): Whenever any student or as the case may be parent or guardian or a teacher of an educational institution complains in writing of ragging to the head of the educational institution, the head of the educational institution shall without prejudice to the foregoing provisions, within seven days of receipt of complaint, do enquiry in to the matter mentioned in the complaint and if prima facie, it is found true shall suspend the student who is accused of the offence, and shall immediately forward the complaint to the police station having jurisdiction over the area in which the educational institution is situated for further action.
- d) Deemed abetment (section 7): If the head of the educational institution fails or neglects to take action in the manner specified in section 6 when a complaint of ragging is made, such person shall be

deemed to have abetted the offence of ragging and shall on conviction be punished as provided in section 4.

B] ADMINISTRATIVE ACTION IN THE EVENT OF RAGGING

The institution shall punish a student found to be guilty of ragging after following procedure:

- A) Anti ragging committee of the institution shall take an appropriate decision following recommendations of the anti ragging squad.
- B) Anti ragging committee may depending on the nature and gravity of guilt recommend one or more of the following punishments namely:
 - i. suspension from attending classes and academic privileges
 - ii. withholding or withdrawing scholarship/fellowship & other benefits
 - iii. Debarring from appearing in test or examinations
 - iv. withholding results
 - v. debarring from representing the institution in any regional , national , or international event
 - vi. suspension or expulsion from the hostel
 - vii. cancellation of admission
 - viii. rustication from institution for period ranging from 1-4 semesters
 - ix. expulsion from institution and consequent debarring from admission to any other institutions for a specified period.

Prevention of ragging/anti ragging measures

The college has setup appropriate committees to actively monitor,promote and regulate healthy interaction between the freshers,juniors and seniors students to prevent ragging

1)Anti-ragging committee:The institution has nominated anti-raggingcommittee headed by dean .It consists of faculty members, representative of parents,representative of students from fresher's and seniors and non teaching staff .It shall be duty of anti-

ragging committee to co-ordinate with various committees to prevent ragging in the institution .

2)Anti-ragging squad: It is nominated by the principal. The anti-ragging squad shall remain mobile ,alert and active all time to maintain vigilance and patrolling .It shall make surprise raids on hostel and other places vulnerable to incident of ragging .It shall investigate incidence of ragging and report anti ragging committee

3)Display: The names of anti ragging committee members ,anti ragging squad members and hostel wardens are displayed on notice board along with their contact number

4)Teacher –Guardian system: It should be implemented for 1st B.D.S. students with the help of teachers involved in teaching them. About 5-10 students will be allotted to one teacher. They are to meet the concerned teacher every week to discuss various problems faced by students.

5)Orientation programme : A joint ‘Sensitization’ and orientation programme and counselling both fresher’s and seniors to be addressed by the principal and professional counsellors. The inmates of hostel shall be addressed by hostel warden.

6)Sensitization towards the ills of ragging and prevention of there of and obtaining undertaking from every employee of the college including teaching and non teaching members of staff, contract labour employed in the premises. A provision shall be made in service rules for issuing certificates of appreciation such member of the staff who report ragging which will form part of their service record.

7)The employers/employees of the canteens / mess shall be given necessary instructions to keep the strict vigil and to report the incidence of ragging to the college authorities, if any.

8)Wardens of the hostel are to take rounds of the hostel daily.

9)Affidavit from the student and parents: The affidavit from each student and his/her parents is obtained and the copies are available in the office.

10)Counselling of fresher's: The professional counsellors shall counsel fresher's in order to prepare them for life ahead, particularly in regard to life in hostel and to the extent possible , also involved parents and teachers in counselling sessions.

11)For Newly admitted students and for the students who want to be anonymous in their complaints, the complaints should be submitted to the administrative office.

12)Fresher's welcome party: Fresher's welcome party shall be organized by the senior students and the faculty together after admissions within two weeks of beginning of the academic session, for proper introduction to one another and where the talents of the fresher are brought out properly in the presence of faculty, thus helping them to shed theirinferiority complex , if any , and remove their inhibitions.
